Do Not Enter.
ATP 11/16/06

In response to the Notice of Non-Compliant Amendment mailed October 31, 2006, please amend the above-identified application as shown. The Notice of Non-Compliant Amendment stated that each claim was not provided with the proper status identifier, whereas such claims listed as "Currently Cancelled" should be listed as "Canceled," and the claim text should not be presented for any claim identified as "Canceled."

Applicant has made the necessary changes to the claim status identifiers in the Amendments to Claims section of this response and has deleted the "Canceled" claim text in order for the Amendment to be compliant with the U.S. Patent and Trademark Office's standards. Since this paper is in regards to an After-Final Amendment, the response is re-submitted in its entirety.

If any fees for the accompanying response are required, Applicant requests that this be considered a Petition therefor. The Commissioner is hereby authorized to charge any additional fees that may be required to Deposit Account 501923.

Amendments to the Claims begin on page 2 of this paper.

Remarks begin on page 8 of this paper.
